Medalia 3639 premium All Purpose shortening- Our best seller. Great for all baking, Good for frying as well.

Medalia 4345 premium all purpose shortening- Great for frying. Since it is firm, when baking it is somewhat difficult to blend, making very flaky pie crusts and homemade appearance and texture to tortillas.

Medalia Cake and Icing shortening- With emulsifiers, which helps to retain water. Great for Cakes, Icings and Tortillas. Increases shelf life. Available Early September

Frybest Plus- Semi liquid frying shortening. Packed in a tin. Excellent frying shortening. Long lasting. Available Early September
